The Distinguished

The Women's Technology Empowerment Centre (W.TEC) is a Nigerian nonprofit organisation committed to building a more inclusive technology ecosystem, with the next generation of women technology creators, entrepreneurs and leaders.

Q1 ACHIEVEMENTS

Celebrated the International day of the girl child event with **550** girls in Lagos, Abuja and Port harcourt with **80%** demonstrating interest in **STEM**.

Reached **467** girls across **3 states (Lagos, Ondo and Kwara)** in our W.TEC Academy programme with **85%** opining that the club improved their understanding of STEM subjects.

Launched **2** new Digital skills traiming projects under the **SHECAN** with ICT Programme.

Milestones

Celebrated **18 years of excellence**

Impacted over **60,000** women and girls.

Strengthened collaboration through a new **partnership**

Our Strategy

1. **Technology classes**
2. **Mentoring Opportunities**
3. **Research**

Other Achievements

Visited **8 Strategic Partners** for 2026

Partnered with **24** Secondary schools

Partnered with Coronation Trust to celebrate the 2026 **International Women's Day Virtual event**

Hosted the 2026 **Virtual Alumnae Hangout**
